Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 162.081, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 162.081, to read as follows:

Whenever any school district in this state fails or refuses in any school year to provide for the minimum school term required by section 163.021, RSMo, or is classified unaccredited for two successive school years by the state board of education, its corporate organization shall lapse. The corporate organization of any school district that is classified as unaccredited shall lapse on June thirtieth of the second full school year of such unaccredited classification after the school year during which the unaccredited classification is initially assigned, **or at a later date as determined by the state board of education under the circumstances described in subsection 2 of this section.**

2. **If a school district which has been declared unaccredited achieves provisional accreditation within the initial time period before lapse as stated in subsection 1 of this section, the state board of education shall establish a subsequent date, not earlier than one full school year nor more than two full school years after the date on which the district**

15 **3. Except as provided in subsection 13 of this section,** the territory theretofore
16 embraced within any district that lapses pursuant to this section or any portion thereof may be

41 **district or an urban school district containing most or all of a city with a population greater than**
42 **three hundred fifty thousand inhabitants and in any other school district if the local board of**

44 **appoint a special administrative board to [supervise] monitor** the financial operations, maintain
45 and preserve the financial assets or, if warranted, continue operation of the educational programs
46 within the district or what provisions might otherwise be made in the best interest of the

60 of the lapsed district to another district or districts for school purposes; [or]

62 a governance structure consistent with the laws applicable to districts of a similar size, with the
63 option of permitting a district to remain intact for the purposes of assessing, collecting, and
64 distributing property taxes, to be distributed equitably on a per eligible pupil basis, but to be
65 divided for operational purposes, which shall take effect sixty days after the adjournment of the

67 or concurrent resolution is enacted to nullify the state board's decision prior to such effective
68 date; or

69 (4) **Continue operation of the school district under the existing governance**
70 **structure under terms and conditions established by the state board of education.**

73 time of the lapse.

74 [5.] 8. The authority of the special administrative board shall expire at the end of the
75 third full school year following its appointment, unless extended by the state board of education.
76 If the lapsed district is reassigned, the special administrative board shall provide an accounting
77 of all funds, assets and liabilities of the lapsed district and transfer such funds, assets, and
78 liabilities of the lapsed district as determined by the state board of education.

79 [6.] 9. Upon recommendation of the special administrative board, the state board of

88 due to the annexation of territory of a lapsed or dissolved district, such district shall grant an
89 employment interview to any permanent teacher of the lapsed or dissolved district upon the
90 request of such permanent teacher.

91 [9.] 12. (1) The governing body of a school district, upon an initial declaration by the

94 to be submitted to the voters of the school district to divide the school district if the district
95 cannot attain accreditation within three years of the initial declaration that such district is
96 unaccredited. In the case of such a district being declared unaccredited, such plan shall be
97 presented to the voters of the district before the district lapses. In the case of such a district being
98 declared provisionally accredited, such plan may be presented before the close of the current
99 accreditation cycle.

100 (2) The plan may provide that the school district shall remain intact for the purposes of
101 assessing, collecting and distributing taxes for support of the schools, and the governing body
102 of the district shall develop a plan for the distribution of such taxes equitably on a per pupil basis
103 if the district selects this option.

104 (3) The makeup of the new districts shall be racially balanced as far as the proportions
105 of students allow.

106 (4) If a majority of the district's voters approve the plan, the state board of education

109 achievement of accredited status for such districts.

110 [10.] 13. In the event that a school district with an enrollment in excess of five thousand
111 pupils lapses, no school district shall have all or any part of such lapsed school district attached
112 without the approval of the board of the receiving school district.
