48 until at least one year after the credit issuance date.

49 10. Where the sole requirement for receiving a tax credit in the enabling legislation
50 of any tax credit is an obligatory assessment upon a taxpayer or a monetary contribution
51 to a particular group or entity, the reporting requirements provided in this section shall
52 apply to the recipient of such assessment or contribution and shall not apply to the assessed
53 nor the contributor.

54 11. The provisions of subsections 1 to 10 of this section shall apply beginning on
55 June 30, 2005.

135.810. 1. After credits have been issued, any failure to meet the annual reporting
2 requirements established in section 135.805 or any determination of fraud in the
3 application process shall result in penalties as follows:

4 (1) Failure to report for more than six months but less than one year shall result
5 in a penalty equal to two percent of the value of the credits issued for each month of
6 delinquency during such time period;

7 (2) Failure to report for more than one year shall result in a penalty equal to ten
8 percent of the value of the credits issued for each month of delinquency during such time
9 period up to one hundred percent of the value of the credit issued is assessed by way of
10 penalty;

11 **(3) Fraud in the application process shall result in a penalty equal to one hundred**
12 **percent of the credits issued.**

13

14 **No taxpayer shall be deemed to have committed fraud in the application process for any**
15 **credit unless such conclusion has been reached by a court of competent jurisdiction or the**
16 **administrative hearing commission.**

17 **2. Ninety days after the annual report is past due, the administering agency shall**
18 **send notice by registered mail to the last known address of person or entity obligated to**
19 **complete the annual reporting informing such person or entity of the past-due annual**
20 **report and describing in detail the pending penalties and their respective deadlines. Six**
21 **months after the annual report is past due, the administering agency shall notify the**
22 **department of revenue of any taxpayer subject to penalties. The taxpayer shall be liable**
23 **for any penalties as of December thirty-first of any tax year and such liability shall be due**
24 **as of the filing date of the taxpayer's next income tax return. If the taxpayer is not**
25 **required to file an income tax return, the taxpayer's liability for penalties shall be due as**
26 **of April fifteenth of each year. The director of the department of revenue shall prepare**
27 **forms and promulgate rules to allow for the reporting and satisfaction of liability for such**
28 **penalties. The director of the department of revenue shall offset any credits claimed on a**
29 **contemporaneously filed tax return against an outstanding penalty before applying such**
30 **credits to the tax year against which they were originally claimed. Any nonpayment of**
31 **liability for penalties shall be subject to the same provisions of law as a liability for unpaid**
32 **income taxes, including, but not limited to, interest and penalty provisions.**

33 **3. Penalties shall remain the liability of the person or entity obligated to complete**
34 **the annual reporting, without regard to any transfer of the credits.**

35 **4. Any person or entity obligated to complete the annual reporting requirements**
36 **provided in section 135.805 shall provide the proper administering agency with notice of**
37 **change of address when necessary.**

38 **5. An administering agency may promulgate rules in order to implement the**
39 **provisions of this section. Any rule or portion of a rule, as that term is defined in section**
40 **536.010, RSMo, that is created under the authority delegated in this section shall become**
41 **effective only if it complies with and is subject to all of the provisions of chapter 536,**
42 **RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are**
43 **nonseverable and if any of the powers vested with the general assembly pursuant to**
44 **chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule**
45 **are subsequently held unconstitutional, then the grant of rulemaking authority and any**
46 **rule proposed or adopted after August 28, 2004, shall be invalid and void.**

135.815. Prior to approval of any tax credit application, an administering agency shall verify through the department of revenue that the tax credit applicant does not owe any delinquent income, sales, or use taxes, or interest or penalties on such taxes, and through the department of insurance that the applicant does not owe any delinquent insurance taxes. Such delinquency shall not affect the approval of the application for such tax credits, except that the amount of credits shall be reduced by the applicant's tax delinquency. If the department of revenue or the department of insurance concludes that a taxpayer is delinquent after June fifteenth but before July first of any year, and the application of tax credits to such delinquency causes a tax deficiency on behalf of the taxpayer to arise, then the taxpayer shall be granted thirty days to satisfy the deficiency in which interest, penalties, and additions to tax shall be tolled. After applying all available credits towards a tax delinquency, the administering agency shall notify the appropriate department, and that department shall update the amount of outstanding delinquent tax owed by the applicant. If any credits remain after satisfying all insurance, income, sales, and use tax delinquencies, the remaining credits shall be issued to the applicant, subject to the restrictions of other provisions of law.

135.825. 1. The administering agencies for all tax credit programs shall, in cooperation with the department of revenue, implement a system for tracking the amount of tax credits issued and redeemed. Any such agency may promulgate rules for the implementation of this section.

2. The provisions of this section shall not apply to any credit that is issued and redeemed simultaneously.

3. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void.

135.830. The provisions of sections 135.800 to 135.830 shall be construed, wherever necessary, to be in addition to existing requirements, duties, or obligations present in other provisions of law, with regard to all tax credit programs.

173.196. 1. Any business firm, as defined in section 32.105, RSMo, may make a donation to the "Missouri Higher Education Scholarship Donation Fund", which is hereby created in the state treasury. A donating business firm shall receive a tax credit as provided in

4 this section equal to fifty percent of the amount of the donation, except that tax credits shall be
5 awarded each fiscal year in the order donations are received and the amount of tax credits
6 authorized shall total no more than two hundred and fifty thousand dollars for each fiscal year.

7 2. The department of revenue shall grant tax credits approved under this section which
8 shall be applied in the order specified in subsection 1 of section 32.115, RSMo, until used. The
9 tax credits provided under this section shall be refundable, and any tax credit not used in the
10 fiscal year in which approved may be carried over the next five succeeding calendar or fiscal
11 years until the full credit has been claimed.

12 3. No tax credit authorized under this section may be applied against any tax applied in
13 a tax year beginning prior to January 1, 1995.

14 4. All revenues credited to the fund shall be used, subject to appropriations, to provide
15 scholarships authorized under sections 173.197 to 173.199, and for no other purpose.

16 **5. For all tax years beginning on or after January 1, 2005, no tax credits shall be**
17 **approved, awarded, or issued to any person or entity claiming any tax credit under this**
18 **section.**

173.796. 1. As used in this section, the term "taxpayer" means an individual, a
2 partnership, or a corporation as described in section 143.441 or 143.471, RSMo.

3 2. Any taxpayer may make a contribution to the fund. Within the limits specified in
4 subsection 3 of this section, a taxpayer shall be allowed a credit against the taxes imposed
5 pursuant to chapter 143, RSMo, except for sections 143.191 to 143.265, RSMo, on that
6 individual or entity of up to fifty percent of the total amount contributed to the fund, not to
7 exceed one hundred thousand dollars per taxpayer.

8 3. The department of revenue shall administer the tax credits pursuant to this section, and
9 shall certify eligibility for the tax credits in the order applications are received. The total amount
10 of tax credits certified in any one calendar year shall not exceed five million dollars annually.
11 Contributions of up to one hundred thousand dollars per annum per taxpayer may be certified
12 by the department of revenue as a qualified contribution for purposes of receiving a tax credit
13 under this program.

14 4. If the amount of tax credit exceeds the total tax liability for the year in which the tax
15 credit is claimed, the amount that exceeds the state tax liability may be carried forward for credit
16 against the taxes imposed pursuant to chapter 143, RSMo, except for sections 143.191 to
17 143.265, RSMo, for the succeeding ten years, or until the full credit is used, whichever occurs
18 first.

19 **5. For all tax years beginning on or after January 1, 2005, no tax credits shall be**
20 **approved, awarded, or issued to any person or entity claiming any tax credit under this**
21 **section.**

22 6. The provisions of this section shall become effective January 1, 1999.

610.255. 1. Records and documents relating to tax credits submitted as part of the
2 **application for all tax credits to any department of this state, board, or commission**
3 **authorized to issue or approve or recommend the approval of tax credits shall be deemed**
4 **closed records until such time as the information submitted does not concern a pending**
5 **application. For the purposes of this subsection, a "pending application" shall mean any**
6 **application for credits that has not yet been approved. In the case of partial approval of**
7 **credits, the completed approval of a single credit shall be sufficient to constitute full**
8 **approval to the extent that the approved credit or credits relate to the same application as**
9 **the credits that have not yet been approved.**

10 **2. Upon a request for opening of records and documents relating to all tax credit**
11 **programs, as defined in section 135.800, RSMo, submitted in accordance with the**
12 **provisions of this chapter, except as limited by the provision of subsection 1 of this section,**
13 **the agency that is the recipient of the open records request shall make information**
14 **available consistent with the provisions of this chapter. Where a single record or document**
15 **contains both open and closed records, the agency shall make a redacted version of such**
16 **record or document available in order to protect the information that would otherwise**
17 **make the record or document a closed record. Staff time required for such redaction shall**
18 **constitute an activity for which a fee can be collected pursuant to section 610.026.**

19 **3. As used in this section "closed record" shall mean closed record as defined in**
20 **section 610.010.**

 620.014. Records and documents submitted to the department of economic development,
2 to the Missouri economic development, export and infrastructure board, or to a regional planning
3 commission formed pursuant to chapter 251, RSMo, relating to financial investments in a
4 business, or sales projections or other business plan information which may endanger the
5 competitiveness of a business[, or records and documents submitted to the department of
6 economic development, or to a regional planning commission formed pursuant to chapter 251,
7 RSMo, relating to tax credits except for the amount and recipient of any tax credits that are
8 awarded] may be deemed a "closed record" as such term is defined in section 610.010, RSMo.

 620.017. **1.** The department of economic development shall require that any contract or

18 **(8) State all other financial assistance known by the department that was received**
19 **by the recipient for the same project.**

20 **2. In addition, such a contract or agreement shall require that any recipient which uses**
21 **the proceeds or services for any other purpose or fails to comply with any requirement**
22 **established by the program through which the loan, grant, tax credit, financial assistance or**
23 **service is provided shall return any remaining proceeds to the department and shall also require**
24 **that any proceeds expended or the value of any incentives or services to which a monetary**
25 **value can be assigned received by the party shall be repaid to the department as required by the**
26 **contract.**

27 **3. The contracts or agreements required by this section shall be governed by and**
28 **enforceable through the applicable provisions of contract law.**

3 **department of economic development for which the department approves tax credits, loans, loan**
4 **guarantees, or grants. Each analysis shall be conducted by the state auditor, and shall include,**
5 **but not be limited to, the costs for each program, the direct state and indirect state benefits and**

6 the direct local and indirect local benefits associated with each program, the safeguards to protect
7 noneconomic influences in the award of programs administered by the department, and the
8 likelihood of the economic activity taking place without the program. The result of each analysis
9 shall be published and distributed, by January 1, 2001, and **at least** every [two] **four** years
