Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Sections 301.041, 390.136, 390.340, 622.095, and 622.618, RSMo, are 2 repealed and three new sections enacted in lieu thereof, to be known as sections 301.041, 390.136, and 622.095, to read as follows:

301.041. 1. All commercial motor vehicles and trailers registered pursuant to this section or to be operated under **reciprocity** agreements [as provided for in sections 301.271 to

301.279] shall be registered annually, or in the discretion of the state highways and transportation commission, staggered in such manner as to be registered for a one-year

period beginning on the first day of a quarter during such year and in such manner as the

commission may determine by regulation. To facilitate the transition from an annual

registration to a staggered registration, the commission shall inquire of all registrations as

to which calendar quarter the registrant wishes to use as the beginning date of the

registration once the transition to staggered registration is complete. If the registrant does

not respond by the date selected by the commission, or if no quarter is selected, the 10

registrant shall remain on a calendar year registration. The commission may issue 11

12 prorated registrations pursuant to this section for periods of greater than or less than one

eighteen months nor be less than six months. The commission may issue a prorated, by quarter, partial year registration at any time for additions to a fleet made after an initial registration of such fleet, or such other reasons as approved by the commission or its designee upon the request of the registrant.

- 2. An application for renewal registration pursuant to this section shall be made with all required documents on or before [October first of each year] the first day of the month that is three calendar months immediately prior to the beginning date of the registration. Renewal applications received after [October first] the first day of the third calendar month immediately prior to the registration shall be assessed a penalty of one hundred dollars. The [director or his or her] commission's designee may waive the penalty pursuant to this subsection for good cause.
- 3. Fees for commercial motor vehicles and trailers renewed pursuant to this section shall be paid no later than [December first of each year] the first day of the month that is one calendar month immediately prior to the beginning date of the registration except for payments made on an installment basis as provided in subsection 4 of this section. Renewal application fees not paid by [December first] the first day of the month immediately prior to the registration shall be assessed a penalty of fifty dollars per vehicle, but in no case shall such penalty exceed one hundred fifty dollars per application. The [director or his or her] commission's designee may, for good cause, waive or reduce any penalties assessed pursuant to this subsection.
- 4. Any owner of a commercial motor vehicle or trailer operated pursuant to this section or reciprocity agreements [provided in sections 301.271 to 301.279] may elect to pay the Missouri portion of the annual registration fee in two equal installments, except that no such installment shall be less than one hundred dollars. The first installment shall be payable on or before [December first] the first day of the month immediately prior to the beginning date of the registration, and the second installment shall be payable on or before [June first of that registration year] the first day of the sixth month of that registration one-year period. Every owner electing to pay on an installment basis shall file [with the director of the department of revenue, on or before December first] on or before the first day of the month immediately prior to the beginning date of the registration, a surety bond, certificate of deposit or irrevocable letter of credit as defined in section 400.5-103, RSMo, to guarantee the payment of the second installment. The bond or certificate or letter of credit shall be in an amount equal to the payment guaranteed. The commission may require such installments to be filed at other times of the year if a nonannual registration is issued pursuant to subsection 1 of this section.
 - [5. If a new application for registration of a commercial vehicle or trailer is made other

50 than as specified in subsection 1 of this section, the registration fee shall be prorated as follows:

- (1) For applications made between April first and June thirtieth, the applicant shall pay three-fourths of the annual registration fee;
- (2) For applications made between July first and September thirtieth, the applicant shall pay one-half of the annual registration fee; and
- (3) For applications made after October first of the current registration year, the applicant shall pay one-fourth of the annual registration fee.
- 6.] 5. Any applicant who fails to timely renew his or her registration with all required documents pursuant to this section or who fails to timely pay any fees and penalties owed pursuant to this section shall not be issued a temporary registration for a motor vehicle or a trailer issued pursuant to this section or under **reciprocity** agreements [as provided for in sections 301.271 and 301.279]. Nothing in this section shall prohibit the issuance of temporary registration credentials for additions to the registrant's fleet subsequent to renewal.
- [7.] 6. The applicant for registration pursuant to this section shall affix the registration plate issued [by the director] to the front of the vehicle in accordance with the provisions of section 301.130. Any vehicle required to be registered pursuant to this section shall display the plate issued to that vehicle no later than December thirty-first of each year or the last day of the quarter preceding the quarter in which the registration begins, as applicable. Failure to display the registration [plates] plate required by this section shall constitute a class A misdemeanor.
- [8.] 7. The [director of revenue] **commission** may prescribe rules and regulations for the effective administration of this section.
- [9.] **8.** Any current registration or plate for which all fees have been paid for a commercial trailer previously issued pursuant to **reciprocity** agreements [provided for in sections 301.271 and 301.277] shall remain valid even if such agreements no longer require apportionment of such trailers under such agreements, and such trailers may continue to be registered pursuant to this section.
- [10.] **9.** Notwithstanding any other law to the contrary, the [highway reciprocity] commission shall have the authority pursuant to this chapter to issue permanent and temporary registrations on commercial trailers whether or not the registration is issued pursuant to **reciprocity** agreements [as provided in sections 301.271 to 301.279]. The provisions of subsection 1 of section 301.190 shall not apply to registrations issued pursuant to this subsection, provided the carrier or person to whom the registration is issued has at least one tractor as defined in section 301.010 registered with the state of Missouri pursuant to this section.
- [11.] **10.** Commercial trailer plates issued pursuant to this section shall in all other respects conform to and have the same requirements as those issued pursuant to subsection 3 of

section 301.067. Such plates may contain the legend ["HRC TLR"] "COMM TRL" in preference to the words "SHOW-ME STATE".

390.136. 1. No motor carrier, except as provided in section 390.030, shall operate any motor vehicle unless such vehicle shall be accompanied by an annual or seventy-two-hour, regulatory license issued by the [motor carrier and railroad safety division of the department of economic development] state highways and transportation commission; provided that when a motor carrier uses a truck-tractor for pulling trailers or semitrailers, such motor carrier may elect to license either the truck-tractor, trailer or semitrailer. The fee for each such [annual] regulatory license shall be ten dollars per year and shall be due and payable [on or before the last day of February of each calendar year] as provided in this section. Such [annual] license shall be issued [after October first of each year] in such form and shall be used pursuant to such reasonable rules and regulations as [the division of motor carrier and railroad safety may, by general order or otherwise, prescribe] may be prescribed by the commission.

- 2. - 3. In case of emergency, temporary, unusual or a peak demand for transportation, additional vehicles as described in subsection 1 of this section may be operated upon issuance [by the division] of a seventy-two-hour license for each vehicle so operated. The license fee for each such additional vehicle shall be the sum of five dollars for each seventy-two consecutive hours, or any portion thereof. Such licenses shall be issued, **renewed**, **and staggered** in such form and shall be used pursuant to such reasonable rules and regulations as the [division may, by general order or otherwise,] **commission may** prescribe. No such additional vehicle which has been licensed pursuant to this subsection shall be operated without being accompanied by such license.
- 4. The [division, upon] commission shall collect the applicable license fee prior to the issuance of such license or licenses provided for in this section, and shall [notify the director of revenue, who shall] receive the license fee or fees and immediately deposit the same [with the state treasurer in] to the credit of the state [highway] highways and transportation department fund except as otherwise provided in section 622.095, RSMo, or when an agreement has been negotiated with another jurisdiction whereby prepayment is not required. - 5. Any person operating as a motor carrier who violates or fails to comply with any of the provisions of this section shall be adjudged guilty of a misdemeanor and, upon conviction

 - 7. The commission shall prescribe, for every regulatory license issued pursuant to this section, an effective date and an expiration date. Notwithstanding any provision of law to the contrary, the commission may stagger the issuance of licenses pursuant to this section to begin at quarterly intervals during any calendar year. Not later than the expiration date of the current license, or as otherwise prescribed, each motor carrier shall pay the regulatory license fee for each vehicle that the carrier will operate during the next yearly period. The commission may issue partial or over one-year licenses during the transition from an annual license, to accommodate motor carriers in adding vehicles to their operations during the year, to coordinate the dates for a single carrier's licensing of multiple licenses, or for such other reasons as approved by the commission.
 - 622.095. 1. In addition to its other powers, the [division of motor carrier and railroad safety] **state highways and transportation commission** may negotiate and enter into fair and equitable cooperative agreements or contracts with other states, the District of Columbia, territories and possessions of the United States, foreign countries, and any of their officials, agents or instrumentalities, to promote cooperative action and mutual assistance between the participating jurisdictions with regard to the uniform administration and registration, through a single base jurisdiction for each registrant, of [interstate commerce commission] **federal motor carrier safety administration** operating authority and exempt operations by motor vehicles operated in interstate commerce. Notwithstanding any other provision of law to the contrary, and in accordance with the provisions of such agreements or contracts between participating jurisdictions, the [division] **commission** may:

appropriate jurisdictions statutory registration, administration or license fees, and to perform all other activities described in subdivision (1) of this subsection, on its own behalf or as an agent on behalf of other participating jurisdictions, with regard to motor vehicle operations in interstate commerce by persons having this state as their base jurisdiction;

- (3) Establish or modify dates for the payment of fees and the issuance of annual motor vehicle licenses or identifiers in conformity with such agreements or contracts, notwithstanding any provisions of section 390.136, RSMo, to the contrary; and
 - (4) Modify, cancel or terminate any of the agreements or contracts.

The [division] **commission** shall [not less frequently than once each month] direct the payment of, and the director of revenue shall pay, the fees so collected to the appropriate other jurisdictions. All income derived from the investment of the base state registration fund by the director of revenue shall be credited to the [highway] **state highways and transportation** department fund.
- 3. "Base jurisdiction", as used in this section, means the jurisdiction participating in such agreements or contracts where the registrant has its principal place of business.
- 4. - 5. Notwithstanding any provision of law to the contrary, the commission may stagger and prorate the payment and collection of license fees pursuant to this section for the purposes of:

 - (2) Complying with any federal law or regulation.
