In the case of any claim or 80 judgment that arises under this subdivision, the aggregate of payments from the state legal 81 expense fund shall be limited to a maximum of five hundred thousand dollars for all claims

83 shall not exceed five hundred thousand dollars for any one claimant, and insurance policies

- 84 purchased pursuant to the provisions of section 105.721 shall be limited to five hundred
- 85 thousand dollars.

86 3. The department of health and senior services shall promulgate rules regarding contract procedures and the documentation of care provided under paragraphs (b), (c), (d), and (e) of 87 88 subdivision (3) of subsection 2 of this section. The limitation on payments from the state legal 89 expense fund or any policy of insurance procured pursuant to the provisions of section 105.721, 90 provided in subsection [5] 6 of this section, shall not apply to any claim or judgment arising 91 under paragraph (a), (b), (c), (d), or (e) of subdivision (3) of subsection 2 of this section. Any 92 claim or judgment arising under paragraph (a), (b), (c), (d), or (e) of subdivision (3) of subsection 93 2 of this section shall be paid by the state legal expense fund or any policy of insurance procured 94 pursuant to section 105.721, to the extent damages are allowed under sections 538.205 to 95 538.235, RSMo. Liability or malpractice insurance obtained and maintained in force by any physician, dentist, physician assistant, dental hygienist, or nurse for coverage concerning his or 96 97 her private practice and assets shall not be considered available under subsection [5] 6 of this 98 section to pay that portion of a judgment or claim for which the state legal expense fund is liable 99 under paragraph (a), (b), (c), (d), or (e) of subdivision (3) of subsection 2 of this section. 100 However, a physician, nurse, dentist, physician assistant, or dental hygienist may purchase 101 liability or malpractice insurance for coverage of liability claims or judgments based upon care 102 rendered under paragraphs (c), (d), and (e) of subdivision (3) of subsection 2 of this section which exceed the amount of liability coverage provided by the state legal expense fund under 103 104 those paragraphs. Even if paragraph (a), (b), (c), (d), or (e) of subdivision (3) of subsection 2 of 105 this section is repealed or modified, the state legal expense fund shall be available for damages 106 which occur while the pertinent paragraph (a), (b), (c), (d), or (e) of subdivision (3) of subsection 107 2 of this section is in effect.

108 4. The attorney general shall promulgate rules regarding contract procedures and 109 the documentation of legal practice provided under subdivision (5) of subsection 2 of this 110 section. The limitation on payments from the state legal expense fund or any policy of 111 insurance procured pursuant to section 105.721 as provided in subsection 6 of this section 112 shall not apply to any claim or judgment arising under subdivision (5) of subsection 2 of 113 this section. Any claim or judgment arising under subdivision (5) of subsection 2 of this 114 section shall be paid by the state legal expense fund or any policy of insurance procured pursuant to section 105.721 to the extent damages are allowed under sections 538.205 to 115 538.235, RSMo. Liability or malpractice insurance otherwise obtained and maintained in 116 117 force shall not be considered available under subsection 6 of this section to pay that portion

118 of a judgment or claim for which the state legal expense fund is liable under subdivision 119 (5) of subsection 2 of this section. However, an attorney may obtain liability or malpractice 120 insurance for coverage of liability claims or judgments based upon legal practice rendered 121 under subdivision (5) of subsection 2 of this section which exceed the amount of liability 122 coverage provided by the state legal expense fund under subdivision (5) of subsection 2 of 123 this section. Even if subdivision (5) of subsection 2 of this section is repealed or amended, 124 the state legal expense fund shall be available for damages which occur while the pertinent 125 subdivision (5) of subsection 2 of this section is in effect.

5. All payments shall be made from the state legal expense fund by the commissioner of administration with the approval of the attorney general. Payment from the state legal expense fund of a claim or final judgment award against a physician, dentist, physician assistant, dental hygienist, or nurse described in paragraph (a), (b), (c), (d), or (e) of subdivision (3) of subsection 2 of this section **or against an attorney in subdivision (5) of subsection 2 of this section** shall only be made for services rendered in accordance with the conditions of such paragraphs.

132 [5.] 6. Except as provided in subsection 3 of this section, in the case of any claim or 133 judgment that arises under sections 537.600 and 537.610, RSMo, against the state of Missouri, 134 or an agency of the state, the aggregate of payments from the state legal expense fund and from 135 any policy of insurance procured pursuant to the provisions of section 105.721 shall not exceed 136 the limits of liability as provided in sections 537.600 to 537.610, RSMo. No payment shall be 137 made from the state legal expense fund or any policy of insurance procured with state funds 138 pursuant to section 105.721 unless and until the benefits provided to pay the claim by any other 139 policy of liability insurance have been exhausted. In no event shall the state legal expense 140 fund pay more than five hundred thousand dollars to any one claimant. For purposes of 141 this section, all individuals and entities asserting a claim for a wrongful death pursuant to 142 section 537.080, RSMo, shall be considered to be one claimant. Payment from the state 143 legal expense fund resulting from a claim against an individual precludes execution of a 144 judgment against such individual or the individual's estate for tort actions committed by 145 such individual.

[6.] 7. The provisions of section 33.080, RSMo, notwithstanding, any moneys remaining
to the credit of the state legal expense fund at the end of an appropriation period shall not be
transferred to general revenue.

[7.] 8. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo,
that is promulgated under the authority delegated in sections 105.711 to 105.726 shall become
effective only if it has been promulgated pursuant to the provisions of chapter 536, RSMo.
Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or
adopted prior to August 28, 1999, if it fully complied with the provisions of chapter 536, RSMo.

This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.

258.100. 1. As used in this section, the word "trail" means any land [previously used as a railroad right-of-way] which was acquired by the state for use as a public hiking, biking or 2 3 recreational trail or any land or interest therein acquired hereafter by a [municipality or county] 4 political subdivision for use as a public hiking, biking or recreational trail[, located in any county of the first classification which contains a city with a population of one hundred thousand 5 6 or more inhabitants which adjoins no other county of the first classification, or in a county of the 7 first classification with a population of over nine hundred thousand]. However, a trail not 8 acquired by the state must be designated by the governing body of the [municipality or county] 9 political subdivision as a greenway system of trails or part of a dedicated system of trails, the acquisition [deed] conveyance whether by deed, easement agreement, grant assignment, or 10 11 reservation of rights to the [city or county] political subdivision must state the interest in the 12 land is being granted for such purposes, the greenway system or dedicated system of trails must 13 be designed exclusively for the purposes herein designated, and shall not include roads or streets, nor sidewalks, walkways or paths which are intended to connect neighborhoods for pedestrian 14 traffic, such as common sidewalks or walkways. 15 16 2. Any person owning land adjoining the trail shall be immune from civil liability for injuries to person or property of persons trespassing or entering on such person's land without 17 implied or expressed permission, invitation, or consent where: 18

19

20

(1) The person who was injured entered the land by way of the trail; and

- (2) Such person was subsequently injured on lands adjoining the trail.
- 3. The immunity created by this section does not apply if the injuries were caused by:

22

(1) The intentional or unlawful act of the owner or possessor of such land; or(2) The willful or wanton act of the owner or possessor of such land; or

23 24

(3) The failure of the possessor of land to warn of an artificial condition which is likely to cause death or serious injury created or maintained by the possessor of the land.

25 likely to cause death or serious injury created or maintained by the possessor of the land.
307.178. 1. As used in this section, the term "passenger car" means every motor vehicle
2 designed for carrying ten persons or less and used for the transportation of persons; except that,
3 the term "passenger car" shall not include motorcycles, motorized bicycles, motor tricycles and

4 trucks with a licensed gross weight of twelve thousand pounds or more.

5 2. Each driver, except persons employed by the United States Postal Service while 6 performing duties for that federal agency which require the operator to service postal boxes from 7 their vehicles, or which require frequent entry into and exit from their vehicles, and front seat

passenger of a passenger car manufactured after January 1, 1968, operated on a street or highway 8 9 in this state, and persons less than eighteen years of age operating or riding in a truck, as defined 10 in section 301.010, RSMo, on a street or highway of this state shall wear a properly adjusted and 11 fastened safety belt that meets federal National Highway, Transportation and Safety Act 12 requirements; except that, a child less than four years of age shall be protected as required in 13 section 210.104, RSMo. No person shall be stopped, inspected, or detained solely to determine 14 compliance with this subsection. The provisions of this section shall not be applicable to persons 15 who have a medical reason for failing to have a seat belt fastened about their body, nor shall the 16 provisions of this section be applicable to persons while operating or riding a motor vehicle being used in agricultural work-related activities. Noncompliance with this subsection shall not 17 18 constitute probable cause for violation of any other provision of law.

Each driver of a motor vehicle transporting a child four years of age or more, but less
 than sixteen years of age, shall secure the child in a properly adjusted and fastened safety belt.

4. In any action to recover damages arising out of the ownership, common maintenance
or operation of a motor vehicle, failure to wear a safety belt in violation of this section shall not
be considered evidence of comparative negligence. Failure to wear a safety belt in violation of
this section may be admitted to mitigate damages, but only under the following circumstances:
(1) Parties seeking to introduce evidence of the failure to wear a safety belt in violation

of this section must first introduce expert evidence proving that a failure to wear a safety belt
contributed to the injuries claimed by plaintiff;

(2) If the evidence supports such a finding, the trier of fact may find that the plaintiff's
failure to wear a safety belt in violation of this section contributed to the plaintiff's claimed
injuries, and may reduce the amount of the plaintiff's recovery by an amount not to exceed [one]
ten percent of the damages awarded after any reductions for comparative negligence.

5. Each driver who violates the provisions of subsection 2 or 3 of this section is guilty of an infraction for which a fine not to exceed ten dollars may be imposed. All other provisions of law and court rules to the contrary notwithstanding, no court costs shall be imposed on any person due to a violation of this section. In no case shall points be assessed against any person, pursuant to section 302.302, RSMo, for a violation of this section.

6. The department of public safety shall initiate and develop a program of public information to develop understanding of, and ensure compliance with, the provisions of this section. The department of public safety shall evaluate the effectiveness of this section and shall include a report of its findings in the annual evaluation report on its highway safety plan that it submits to NHTSA and FHWA pursuant to 23 U.S.C. 402.

42 7. If there are more persons than there are seat belts in the enclosed area of a motor43 vehicle, then the driver and passengers are not in violation of this section.

8

508.010. Suits instituted by summons shall, except as otherwise provided by law, be 2 brought:

3 (1) When the defendant is a resident of the state, either in the county within which the 4 defendant resides, or in the county within which the plaintiff resides, and the defendant may be 5 found;

6 (2) When there are several defendants, and they reside in different counties, the suit may 7 be brought in any such county;

8 (3) When there are several defendants, some residents and others nonresidents of the 9 state, suit may be brought in any county in this state in which any defendant resides;

10 (4) When all the defendants are nonresidents of the state, suit may be brought in any 11 county in this state;

(5) Any action, local or transitory, in which any county shall be plaintiff, may be
commenced and prosecuted to final judgment in the county in which the defendant or defendants
reside, or in the county suing and where the defendants, or one of them, may be found;

15 (6) In all tort actions, including tort actions based upon improper health care, except 16 as provided in section 508.070, the suit may only be brought in the county where the cause of 17 action accrued regardless of the residence of the parties, and process therein shall be issued by 18 the court of such county and may be served in any county within the state; provided, however, 19 that in any action for defamation or for invasion of privacy the cause of action shall be deemed 20 to have accrued in the county in which the defamation or invasion was first published.

(7) The residence of a corporation for venue purpose shall be in the county where the office of its registered agent as reported pursuant to chapter 351, RSMo, is located. If the corporation has not reported or maintained a registered agent, then the residence of the corporation shall be Cole County.

25 508.040. Suits against corporations shall be commenced either in the county where the 26 cause of action accrued or in the county where the corporation resides. Notwithstanding any 27 other statute to the contrary, the residence of a foreign or domestic corporation for all 28 purposes of this chapter shall be deemed the county where the office of its registered agent 29 as reported pursuant to chapter 351, RSMo, is located. If the corporation has not reported 30 or maintained a registered agent, then the residence of the corporation shall be Cole 31 **County**, or in case the corporation defendant is a railroad company owning, controlling or 32 operating a railroad running into or through two or more counties in this state, then in either of 33 such counties, or in any county where such corporations shall have or usually keep an office or 34 agent for the transaction of their usual and customary business].

508.120. 1. No defendant shall be allowed a change of venue and no application by adefendant to disqualify a judge shall be granted unless the application therefor is made before

the filing of his or her answer to the merits, except when the cause for the change of venue or disqualification arises, or information or knowledge of the existence thereof first comes to [him] the defendant, after the filing of his or her answer in which case the application shall state the time when the cause arose or when applicant acquired information and knowledge thereof, and the application must be made within [five] thirty days thereafter.

8 2. In all actions, if the plaintiff amends the petition to name an additional defendant 9 which would have, if initially named a defendant, rendered venue inappropriate in the 10 court where the action was initially filed, then venue shall, upon motion of any defendant, 11 be transferred to a venue which would be an appropriate venue if the new defendant had 12 been initially named a defendant.

510.263. 1. All actions tried before a jury involving punitive damages, including tort
actions based upon improper health care, shall be conducted in a bifurcated trial before the
same jury if requested by any party.

2. In the first stage of a bifurcated trial, in which the issue of punitive damages is submissible, the jury shall determine liability for compensatory damages, the amount of compensatory damages, including nominal damages, and the liability of a defendant for punitive damages. Evidence of defendant's financial condition shall not be admissible in the first stage of such trial unless admissible for a proper purpose other than the amount of punitive damages.

9 3. If during the first stage of a bifurcated trial the jury determines by clear and 10 convincing evidence that a defendant's actions or omissions were willful, wanton or 11 malicious so that a defendant is liable for punitive damages, that jury shall determine, in a 12 second stage of trial, the amount of punitive damages to be awarded against such defendant. 13 Evidence of such defendant's net worth shall be admissible during the second stage of such trial.

14 4. Within the time for filing a motion for new trial, a defendant may file a post-trial motion requesting the amount awarded by the jury as punitive damages be credited by the court 15 with amounts previously paid by the defendant for punitive damages arising out of the same 16 17 conduct on which the imposition of punitive damages is based. At any hearing, the burden on 18 all issues relating to such a credit shall be on the defendant and either party may introduce 19 relevant evidence on such motion. Such a motion shall be determined by the trial court within 20 the time and according to procedures applicable to motions for new trial. If the trial court 21 sustains such a motion the trial court shall credit the jury award of punitive damages by the 22 amount found by the trial court to have been previously paid by the defendant arising out of the 23 same conduct and enter judgment accordingly. If the defendant fails to establish entitlement to 24 a credit under the provisions of this section, or the trial court finds from the evidence that the 25 defendant's conduct out of which the prior punitive damages award arose was not the same conduct on which the imposition of punitive damages is based in the pending action, or the trial 26

27

court finds the defendant unreasonably continued the conduct after acquiring actual knowledge

28 of the dangerous nature of such conduct, the trial court shall disallow such credit, or, if the trial 29 court finds that the laws regarding punitive damages in the state in which the prior award of 30 punitive damages was entered substantially and materially deviate from the law of the state of Missouri and that the nature of such deviation provides good cause for disallowance of the credit 31 32 based on the public policy of Missouri, then the trial court may disallow all or any part of the 33 credit provided by this section. 34 5. The credit allowable under this section shall not apply to causes of action for libel, 35 slander, assault, battery, false imprisonment, criminal conversation, malicious prosecution or 36 fraud. 37 6. The doctrines of remittitur and additur, based on the trial judge's assessment of the 38 totality of the surrounding circumstances, shall apply to punitive damage awards. 39 7. As used in this section, the term "punitive damage award" means an award for 40 punitive or exemplary damages or an award for aggravating circumstances. 41 8. Discovery as to a defendant's assets shall be allowed only after a finding by the 42 trial court that it is more likely than not that the plaintiff will be able to present a 43 submissible case to the trier of fact on the plaintiff's claim of punitive damages. 44 9. No award of punitive damages against any defendant shall exceed the greater of: 45 (1) Five hundred thousand dollars; or 46 (2) Five times the net amount of the judgment awarded to the plaintiff against the defendant. 47 48 49 Such limitations shall not apply if the state of Missouri is the plaintiff requesting the award 50 of punitive damages, or the defendant pleads guilty to or is convicted of a felony arising out of the acts or omissions pled by the plaintiff and found by the civil court or jury on behalf 51 52 of the plaintiff and against the defendant. 512.023. Any order certifying a class in a class action law suit pursuant to section 2 507.070, RSMo, shall be a final and appealable judgment. 512.080. 1. Appeals shall stay the execution in the following cases: 2 (1) When the appellant shall be a personal representative, guardian, or conservator, and 3 the action shall be by or against him **or her** as such, or when the appellant shall be a county, city, 4 town, township, school district, or other municipality; 5 (2) When the appellant, at or prior to the time of filing notice of appeal, presents to the court for its approval a supersedeas bond which shall have such surety or sureties as the court 6 7 requires. The court may also at or prior to the time of filing notice of appeal, by order of record, 8 fix the amount of the supersedeas bond and allow appellant reasonable time, not exceeding

9 twenty days, from the date of the order to file the same subject to the approval of the court or 10 clerk, and such appeal bond, approved by the court or clerk and filed within the time specified 11 in such order, shall have the effect to stay the execution thereafter. If any execution shall have 12 been taken prior to the filing of the bond as so approved by the court or clerk, the same shall be 13 released.

14 2. The bond shall be conditioned for the satisfaction of the judgment in full together with 15 costs, interest, and damages for delay, if for any reason the appeal is dismissed or if the judgment is affirmed, and to satisfy in full such modification of the judgment and such costs, interest, and 16 17 damages as the appellate court may adjudge and award. When the judgment is for the recovery 18 of money not otherwise secured, the amount of the bond shall be fixed at such sum as will cover 19 the whole amount of the judgment remaining unsatisfied, costs on the appeal, interest, and damages for delay, unless the court after notice and hearing and for good cause shown fixes a 20 21 different amount or orders security other than the bond.
