Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 302.171, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 302.171, to read as follows:

302.171. 1. Application for a license shall be made upon an approved form furnished by the director. Every application shall state the full name, Social Security number, age, height, weight, color of eyes, sex, residence, mailing address of the applicant, and the classification for which the applicant has been licensed, and, if so, when and by what state, and whether or not such license has ever been suspended, revoked, or disqualified, and, if revoked, suspended or disqualified, the date and reason for such suspension, revocation or disqualification and whether the applicant is making a one dollar donation to promote an organ donation program as prescribed in subsection 2 of this section. The application shall also contain such information as the director may require to enable the director to determine the applicant's qualification for driving a motor vehicle; and shall state whether or not the applicant has been convicted in this or any other state for violating the laws of this or any other state or any ordinance of any municipality, relating to driving without a license, careless driving, or driving while intoxicated, or failing to stop after an accident and disclosing the applicant's identity, or driving a motor vehicle without the owner's consent. The application shall contain a certification by the applicant as to the truth of the facts stated therein. Every person who applies for a license to operate a motor vehicle who is less than twenty-one years of age shall be provided with educational materials relating to the hazards of driving while intoxicated, including information on penalties imposed by law for violation of the intoxication-related offenses of the state. Beginning January

29 informational booklet or other informational sources on the importance of organ donations to
30 applicants for licensure as designed by the organ donation advisory committee established in
31 sections 194.297 to 194.304, RSMo. The director shall inquire of each applicant at the time the

33 making the one dollar donation prescribed in this subsection and whether the applicant is
34 interested in inclusion in the organ donor registry and shall also specifically inform the licensee
35 of the ability to consent to organ donation by completing the form on the reverse of the license
