

SCS HB 822 -- AMATEUR RADIO ANTENNA REGULATIONS

This bill prohibits political subdivisions from enacting or enforcing any ordinance that does not comply with the limited preemption of the Federal Communications Commission Amateur Radio Preemption Order. Any ordinance relating to the placement, screening, or height of an amateur radio antenna based on health, safety, or aesthetic considerations must reasonably accommodate amateur communications and be of minimal practicable regulation. Political subdivisions can adopt ordinances prohibiting amateur radio communications equipment from interfering with the reception of broadcast radio or television signals and take actions to protect or preserve historic districts.
