

HB 930 -- State Aid for Public Schools

Sponsor: Bivins

This bill provides an inflation increase in the per pupil amount of state aid for hold-harmless school districts. Beginning with school year 2004-2005, no hold-harmless district meeting the conditions specified in the bill will receive less per pupil than the 2002-2003 per pupil amount plus the cumulative change in the Consumer Price Index.

The bill contains an emergency clause.
