

HB 994 -- CRIMINAL CASE SURCHARGES IN THE THIRTIETH JUDICIAL
CIRCUIT

Under current law, a surcharge up to \$10 may be collected in all criminal proceedings filed in the 30th Judicial Circuit if the surcharge was authorized by a county or municipal order, ordinance, or resolution adopted prior to January 1, 1997. This bill removes the restriction that the authorizing order, ordinance, or resolution must have been adopted prior to January 1, 1997.

The bill also extends the sunset date for this section from January 1, 2005, to January 1, 2010.
