

## HB 1062 -- Street Rod and Custom Vehicle Registrations

Sponsor: Crawford

This bill establishes new registration procedures for street rods and custom vehicles. The annual fee will be \$15 in addition to the regular registration fees. Owners of these vehicles must certify at the time of registration that the vehicle will be maintained for occasional transportation, exhibits, club activities, parades, tours, and similar uses and will not be used for daily transportation. These vehicles are exempt from vehicle inspections and emission tests. License plates for these vehicles will bear the words "STREET ROD" or "CUSTOM VEHICLE." A street rod or custom vehicle may use blue dot tail lights for stop lamps, rear turning indicator lamps, rear hazard lamps, and rear reflectors.
