

HB 1107 -- PROPERTY ADJACENT TO TRANSPORTATION DISTRICTS

This bill permits owners of property adjacent to transportation districts to petition the court by unanimous petition to add their property to the district. Any property will be subject to all projects, taxes, and special assessments in effect at the time it is added. The owners of the added property will be allowed to vote at subsequent elections to fill vacancies on the board and other issues. The owners of the property added under the bill will have one vote per acre.
