

HB 1180 -- Recorders' Fees

Sponsor: Parker

This bill increases to \$5 the additional \$3 fee charged by a county recorder for recording certain instruments. The recorder must transfer \$4.50 of the fee to the Missouri Housing Trust Fund and the remaining 50 cents to the recorders' fund. Under current law, the entire \$3 fee is transferred to the Missouri Housing Trust Fund.

The bill also adds an additional fee of \$1 for the recording of certain instruments. Funds from this fee are transferred to the state's General Revenue Fund to be appropriated by the General Assembly.
