

HB 1316 -- Unused Sick Leave for Retirement

Sponsor: Kelly (36)

This bill makes changes to the laws regarding credited service for unused sick leave accumulated by members under the Highways and Transportation Employees' and Highway Patrol Retirement System (HTEHPRS), the Missouri State Employees' Retirement System (MOSERS), and the Missouri State Employees' Plan 2000 (MSEP 2000).

Currently, when calculating years of service, members retiring under HTEHPRS, MOSERS, and MSEP 2000 receive one month of credited service for each 168 hours of unused accumulated sick leave. The bill repeals this calculation and requires that members retiring under each retirement system are entitled to one day of credited service for every eight hours of unused accumulated sick leave.
