

HB 1322 -- Eligible Pupil Counts for State School Aid

Sponsor: Davis (122)

This bill makes changes to the way summer school and kindergarten pupils are counted for state school aid beginning with the 2004-2005 school year. Only pupils who attended summer school in the current year can be counted for the summer school add-on. When kindergarten attendance decreases from the previous year without a decrease in enrollment, the eligible pupil payment for kindergarten will include only the attendance from the current year.

The bill contains an emergency clause.
