

HB 1427 -- Controlled Substances

Sponsor: Portwood

This bill repeals some provisions regarding the seizure of controlled substances. The bill repeals provisions that:

- (1) Require law enforcement agencies to notify the United States Commissioner of Narcotics when seized drugs have been destroyed;
- (2) Allow law enforcement to deliver seized drugs to public hospitals that apply for them; and
- (3) Allow the Department of Health and Senior Services to place under seal all of the controlled substances possessed by a registered drug manufacturer or distributor, when the department suspends or revokes the company's registration.
