

HB 1457 -- Department of Natural Resources Permits

Sponsor: Black

This bill postpones the imposition of fines or penalties on permit holders under any program of the Department of Natural Resources for failure to file a report until 30 days after the department has notified the permit holder that the report has not been received. The postponement does not apply to permit holders who have failed to file two or more reports in the last 12 months or four or more reports in the last 60 months. The penalty for failure to file a required report is limited to not more than \$500 for the first violation.
