

HB 1590 -- Involuntary Manslaughter

Sponsor: Portwood

This bill revises the crime of involuntary manslaughter. Under the bill, a person commits the crime of involuntary manslaughter, a class C felony, when he or she:

- (1) Commits a crime involving a controlled substance; and
- (2) The controlled substance is the cause of death of any person; and
- (3) The person's death could have been avoided had aid been summoned.
