

HB 1652 -- Solid Waste Management

Sponsor: Brown

This bill changes the laws regarding the allocation of moneys deposited into the Solid Waste Management Fund each fiscal year. At least 60% of the moneys will be allocated through grants to solid waste management districts to any county, city, person, or entity within the district for the waste reduction or recycling purposes of Sections 260.255 - 260.345, RSMo. Each district will receive a minimum of \$75,000.
