

HCS HB 1660 -- ACCIDENT REPORTS (Lager)

This substitute repeals the provision that prohibits law enforcement officers from releasing accident reports to anyone who is not an interested party until 60 days after the accident.

The substitute also clarifies that the required procedure for the processing of accident reports by law enforcement officers includes computer-generated reports, in addition to written reports.

FISCAL NOTE: No impact on state funds in FY 2005, FY 2006, and FY 2007.
