

HB 1663 -- Special License Plate

Sponsor: Sander

This bill allows for a special license plate for immediate family members of any member of the United States military killed in the line of duty.

To obtain the special plate, individuals must present proof of eligibility along with a payment of a \$15 fee in addition to the registration fee and any other documents required by law. No additional fee will be charged for the personalization of license plates.

This plate will bear the initials of the person killed in the line of duty, a gold star in the center of the plate followed by a three-letter description of the relative's relation to the veteran, and the words "WE SHALL NOT FORGET" in place of the words "SHOW-ME STATE."
