

HB 1753 -- Scholarships for Community College Students and Graduates

Sponsor: Sager

This bill creates three scholarship programs for community college students and graduates. The All State Academic Team Scholarship Program covers qualifying community college students or recent graduates who transfer to a public four-year Missouri institution. The Community College Honors Scholarship Program covers qualified recent high school graduates or current community college students who are attending a community college. The Community College Honors Graduate Scholarship Program covers qualified community college graduates who transfer to a public four-year Missouri institution. The programs cover tuition and textbooks for 70 credit hours, and each program has a standard of academic achievement that applicants must attain.
