

HB 1768 -- Pregnancy Prevention

Sponsor: Sager

This bill requires the Department of Social Services to establish an Abstinence First Pregnancy Prevention Program. Moneys appropriated by the General Assembly will be used to teach responsible behavior to students in public schools. The program is required to emphasize the importance of preventing pregnancy and disease, methods of prevention, and the 100% effectiveness of abstinence.

The provisions of the bill will expire six years from the effective date.
