To repeal section 168.515, RSMo, and to enact in lieu thereof one new section relating to the career ladder program.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 168.515, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 168.515, to read as follows:

168.515. 1. Each teacher selected to participate in a career plan established under sections 168.500 to 168.515, who meets the requirements of such plan, shall receive a salary supplement, the state's share of which shall be distributed under section 163.031, RSMo, equal to the following amounts applied to the career ladder entitlement of line 15 of subsection 6 of section 163.031, RSMo:

All teachers within each stage within the same school district shall receive equal salary supplements.

2. The state shall make payments pursuant to section 163.031, RSMo, to the local school district for the purpose of reimbursing the local school district for the payment of any salary supplements provided for in this section, subject to the availability of funds as appropriated each

17 year and distributed on a variable match formula which shall be based on equalized assessed
 18 valuation of the district for the second preceding school year. A district's equalized assessed
 19 valuation shall be multiplied by the district income factor defined in section 163.011, RSMo, and
 20 shall be known as the adjusted equalized assessed valuation.

21 3. In distributing these matching funds, school districts shall be ranked by the adjusted
 22 equalized assessed valuation for the second preceding school year per eligible pupil from the
 23 highest to the lowest and divided into three groups. Group one shall contain the highest
 24 twenty-five percent of all public school districts, groups two and three combined shall contain
 25 the remaining seventy-five percent of all public school districts. The districts in groups two and
 26 three shall be rank-ordered from largest to smallest based on enrollment as of the last Wednesday
 27 in September during the second preceding school year, group two shall contain twenty-five
 28 percent of all public school districts that are larger on the enrollment-based rank-ordered list and
 29 group three shall contain the remaining fifty percent of all public school districts. Pursuant to
 30 subsection 4 of this section, districts in group one shall receive forty percent state funding and
 31 shall contribute sixty percent local funding, group two shall receive fifty percent state funding
 32 and shall contribute fifty percent local funding and group three shall receive sixty percent state
 33 funding and shall contribute forty percent local funding.

34 4. The incremental groups are as follows:

35	Percentage	Percentage	Percentage
36 Group	of Districts	of State Funding	of Local Funding
37 1	25%	40%	60%
38 2	25%	50%	50%
39 3	50%	60%	40%

40 5. Beginning in the 1996-97 school year, any school district in any group which
 41 participated in the career ladder program in 1995-96 and paid less than the local funding
 42 percentage required by subsection 4 of this section shall increase its local share of career ladder
 43 costs by five percentage points from the preceding year until the district pays the percentage
 44 share of cost required by subsection 4 of this section, and in no case shall the local funding
 45 percentage be increased by a greater amount for any year. For any district, the state payment
 46 shall not exceed the local payment times the state percentage share divided by the local
 47 percentage share. **Except as provided in subsection 10 of this section,** any district not
 48 participating in the 1995-96 school year or any district which interrupts its career ladder program
 49 for any subsequent year shall enter the program on the cost-sharing basis required by subsection
 50 4 of this section.

51 6. Not less than every fourth year, beginning with calendar year 1988, the general
 52 assembly, through the joint committee established under section 160.254, RSMo, shall review

53 the amount of the career pay provided for in this section to determine if any increases are
54 necessary to reflect the increases in the cost of living which have occurred since the salary
55 supplements were last reviewed or set.

56 7. To participate in the salary supplement program established under this section, a
57 school district may submit to the voters of the district a proposition to increase taxes for this
58 purpose. If a school district's current tax rate ceiling is at or above the rate from which an
59 increase would require a two-thirds majority, the school board may submit to the voters of the
60 district a proposition to reduce or eliminate the amount of the levy reduction resulting from
61 section 164.013, RSMo. If a majority of the voters voting thereon vote in favor of the
62 proposition, the board may certify that seventy-five percent of the revenue generated from this
63 source shall be used to implement the salary supplement program established under this section.

64 8. In no case shall a school district use state funds received under this section nor local
65 revenue generated from a tax established under subsection 7 of this section to comply with the
66 minimum salary requirements for teachers established pursuant to section 163.172, RSMo.

67 9. Beginning in the 1996-97 school year, for any teacher who participated in the career
68 program in the 1995-96 school year, continues to participate in the program thereafter, and
69 remains qualified to receive career pay pursuant to section 168.510, the state's share of the
70 teacher's salary supplement shall continue to be the percentage paid by the state in the 1995-96
71 school year, notwithstanding any provisions of subsection 4 of this section to the contrary, and
72 the state shall continue to pay such percentage of the teacher's salary supplement until any of the
73 following occurs:

74 (1) The teacher ceases his or her participation in the program; or

75 (2) The teacher suspends his or her participation in the program for any school year after
76 the 1995-96 school year. If the teacher later resumes participation in the program, the state
77 funding shall be subject to the provisions of subsection 4 of this section.

78 **10. Any school district that participated in the career ladder program prior to the**
79 **2001-2002 school year but ceased its participation at any time from July 1, 2001, to July**
80 **1, 2005, may resume participation in the program no later than July 1, 2006, at the same**
