FISCAL ANALYSIS

ASSUMPTION

Officials of the **Department of Revenue - Taxation Division** stated that this legislation potentially creates an item tax where a food establishment would have to collect two different rates. Due to the small number of affected businesses, the department could handle the additional workload with existing personnel.

The **City of Lamar Heights** did not respond.

Oversight assumes the Department of Revenue would withhold a 1`% collection fee for collecting the sales tax on food. Therefore, Oversight will show income to the State's General Revenue Fund as a positive unknown.
