### FISCAL ANALYSIS

#### ASSUMPTION

Officials from the **Office of State Courts Administrator, Department of Economic Development - Division of Professional Registration, Department of Mental Health, Department of Social Services, Department of Public Safety (DPS) - Director's Office, Missouri Consolidated Health Care Plan, and DPS - Missouri State Highway Patrol** assume the proposal will have no fiscal impact on their organizations.

Officials from the **Department of Health and Senior Services (DOH)** state the proposal would not be expected to fiscally impact the operations of the DOH. If an impact were to result, funds to support the program would be sought through the appropriations process.

Officials from the **Office of Attorney General (AGO)** assume, that because this proposal does not greatly expand the authority of state agencies to release otherwise protected information, this proposal will create minimal costs that can be absorbed with existing resources.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

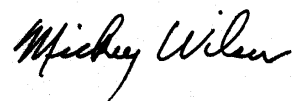

DESCRIPTION

This proposal allows specified individuals to have access to mental health records if the information would assist them in reducing the likelihood of a suicide attempt.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
