

HB 39 -- School Facilities

Sponsor: Jackson

This bill repeals several obsolete statutes regarding school facilities and updates and consolidates several others. School districts are permitted to dispose of personal property with a value of less than \$500 under terms established by the district. Personal property valued at \$500 or more must go to the highest bidder. The bill clarifies that districts may establish stadiums and athletic facilities, as well as school libraries, art galleries, and museums. Districts may accept gifts of money or property for stadiums and their appurtenances and may determine if an expense charge is appropriate for the use of school facilities.
