

HB 323 -- Kansas City Police and Civilian Employees' Retirement System

Sponsor: Johnson (47)

This bill recodifies the laws regarding the Police Retirement System of Kansas City and the Civilian Employees' Retirement System of the Police Department of Kansas City. The provisions of law regarding the police plan and the civilian employees' plan are replaced with new sections to remove outdated language and practices making the plan provisions easier to understand. In its main provisions, the bill:

- (1) Adds a definition for "consultant";
- (2) Removes the requirement that the purchase of prior military service had to be completed during the first two years of service;
- (3) Removes the reference to hospitalization and medical care costs pertaining to supplemental benefit payments received;
- (4) Clarifies that any member who is convicted of a felony prior to separation from active service will not be entitled to any benefit from this retirement system except the return of the member's accumulated contributions; and
- (5) Adds a provision to allow civilian employees to purchase creditable prior service, any time prior to retirement, provided they have a minimum of three years of prior service.
