Sponsor: Fares

This bill changes the qualifications for and the amount of credit allowed under the senior citizen/disabled person property tax credit, commonly known as circuit breaker. The program is renamed the Senior Citizens' Homestead Tax Relief Act. The bill also: (1) increases from \$25,000 to \$25,500 the maximum income allowed to claim the credit; and (2) increases from \$13,000 to \$13,300 the minimum base. The minimum base is the maximum level of income at which the taxpayer receives a credit for property taxes paid up to the maximum of \$800.
