

HB 395 -- WATER SUPPLY DISTRICTS (Wood)

COMMITTEE OF ORIGIN: Local Government

Currently, public water supply district boards which are dependent upon purchases of water to supply their needs are allowed to sell all or part of their district property to cities owning waterworks systems. This bill extends that power to all public water supply districts.

FISCAL NOTE: No impact on state funds in FY 2006, FY 2007, and FY 2008.
