

HCS HB 508 -- FUEL STORAGE (Pratt)

COMMITTEE OF ORIGIN: Special Committee on Urban Issues

Currently, Missouri's laws pre-empt the regulation of various fuels. This substitute allows Jackson County and political subdivisions within the county to regulate or prohibit the installation and placement of fuel storage tanks with a 48,000 gallon or more capacity.

The substitute contains an emergency clause.

FISCAL NOTE: No impact on state funds in FY 2006, FY 2007, and FY 2008.
