

SCS HB 618 -- STATE HIGHWAY PATROL PERSONNEL

Currently, the State Highway Patrol may have no more than 25 captains, 60 lieutenants, and a total of 965 officers and patrolmen. This bill exempts from those limits the members assigned to the Division of Drug and Crime Control.

The bill also adds Missouri Capitol Police vehicles to the definition of "emergency vehicle" for purposes of the provisions of law regarding yielding the right-of-way.
