

HB 621 -- Birth Control Protection Act

Sponsor: Wright-Jones (63)

This bill establishes the Birth Control Protection Act. The bill:

- (1) Stipulates that consenting individuals have a protected interest from unreasonable governmental intrusions into their private lives in regards to obtaining and using safe and effective methods of contraception;
- (2) Stipulates that the laws of this state will be interpreted to recognize these protected rights;
- (3) Prohibits governmental actors or entities from interfering in a consenting individual's right to the benefits, facilities, services, or information concerning safe methods of contraception; and
- (4) Prohibits any laws, rules, ordinances, taxes, or regulations that are implemented to promote public health and safety from unreasonably hindering the public's access to contraceptives.
