

HB 662 -- Bail Bond and Surety Recovery Agent Associations

Sponsor: Behnen

This bill requires that any person applying for a license or a license renewal as a bail bond agent, a general bail bond agent, or a surety recovery agent must provide the Director of the Department of Insurance with evidence that they are a member of a statewide professional association established to represent the interests of bail bond agents, general bail bond agents, or surety recovery agents. The director will establish requirements that an association must meet prior to being recognized as a statewide professional association.
