

HB 670 -- Licensure of Cosmetologists

Sponsor: Ruestman

This bill increases from 750 to 800 the number of hours a manicurist apprentice must complete in order to be licensed.

A person is allowed to make application for the required licensing examination if the person is a graduate of a foreign cosmetology program and the State Board of Cosmetology determines that the program has educational requirements which are substantially the same as an educational establishment licensed by the board.
