

HB 881 -- State Board of Mediation

Sponsor: Smith (118)

This bill authorizes the Labor and Industrial Relations Commission to perform all duties and responsibilities conferred or imposed on the State Board of Mediation.

The chairperson of the commission will also serve as the chairperson of the State Board of Mediation with the Governor appointing four additional members. The board chairperson will receive no additional compensation; however, the four appointed members will be compensated for their actual expenses and may receive up to \$50 per day for carrying out the duties of the board.
