

HB 943 -- Hazardous Waste Transportation

Sponsor: Baker (25)

This bill requires that a person transporting high-level radioactive waste or transuranic waste notify the Director of the Department of Health and Senior Services of the route, date, and time of the transport. Each motor vehicle shipment of high-level radioactive waste or transuranic waste traversing the state will be assessed a fee of \$3,500 and \$25 for every mile over 250. Each rail shipment will be assessed a fee of \$3,000 per cask.
