

HB 959 -- Insurance Coverage for Certain Public Assistance  
Recipients

Sponsor: Baker (25)

This bill requires health carriers to offer health benefit plans to persons no longer eligible for state medical assistance due to income or asset levels. There will be an open enrollment period of at least 31 days; and any condition for which the state is required to make medical assistance payments under Chapter 208, RSMo, cannot be excluded as a pre-existing condition.
