

SB 162 -- COMMITTEE ON RADIATION CONTROL

SPONSOR: Gross (Cooper, 155)

COMMITTEE ACTION: Voted "do pass by consent" by the Committee on Health Care Policy by a vote of 7 to 0.

This bill removes references to the Committee on Radiation Control from Sections 192.400, 192.410, and 192.420, RSMo.

FISCAL NOTE: No impact on state funds in FY 2006, FY 2007, and FY 2008.

PROPONENTS: Supporters say that the Committee on Radiation Control is no longer funded but still remains in the statutes. By removing these references, the Department of Health and Senior Services will be able to promulgate needed rules.

Testifying for the bill was Senator Gross.

OPPONENTS: There was no opposition voiced to the committee.

Bill Tucker, Director of Research
