

SS SCS SB 346 -- WATERCRAFT OUTFITTERS

This bill gives immunity to outfitters of paddlesport activities for injuries or the death of a participant due to the inherent risks of paddlesport activities. Outfitters are not immune from liability arising out of an employer-employee relationship. Outfitters are also not immune from liability when an outfitter acts intentionally or negligently, provides unsafe equipment or watercraft, fails to provide a personal flotation device, or fails to exercise ordinary care. All outfitters must post and maintain a warning in a clearly visible location and must include the warning in all contracts with participants.
