AN ACT

To amend chapter 643, RSMo, by adding thereto one new section relating to mercury emission.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 643, RSMo, is amended by adding thereto one new section, to be
2 known as section 643.640, to read as follows:

643.640. 1. As used in this section, the following terms mean:

2 **(1) "Department", the department of natural resources;**

3 **(2) "Person", any individual, partnership, copartnership, firm, company, or public**
4 **or private corporation, association, joint stock company, trust, estate, political subdivision,**
5 **or any agency, board, department, or bureau of the state or federal government, or any**
6 **other legal entity that is recognized by law as the subject of rights and duties.**

7 **2. Any person who is required to file an annual emissions inventory questionnaire**
8 **and who emits thirty or more pounds of mercury per year shall pay to the department's**
9 **air pollution control program a fee of one thousand dollars per pound for every pound of**
10 **mercury emitted.**

11 **3. The air pollution control program shall retain only the amount of revenue from**
12 **fees paid under subsection 2 of this section as is necessary for the program to oversee the**
13 **collection and allocation of the revenue. All other revenue from the fees paid under**
14 **subsection 2 of this section shall be allocated to the bureau of special health care needs of**
15 **the division of maternal, child, and family health.**
