FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the State Courts Administrator** assume the proposal would not fiscally impact the courts.

Officials from the **Office of Prosecution Services** assume the proposal would not have a significant direct fiscal impact on county prosecutors, although it may lead to an increase in prosecutions/caseloads.

Officials from the **Department of Transportation, Department of Revenue** and the **Department of Public Safety - Missouri Highway Patrol** each assume the proposal would not fiscally impact their respective agencies.

For the purpose of this proposed legislation, officials at the **Office of State Public Defender (SPD)** cannot assume that existing staff will provide competent, effective representation for any new cases arising where indigent persons are charged with the proposed new crime of operating a motorized bicycle on any highway, street or sidewalk - a C misdemeanor.

ASSUMPTION (continued)

Passage of bills increasing penalties on existing crimes, or creating new crimes, requires the State Public Defender System to further extend resources. While the number of new cases (or cases with increased penalties) may be too few or uncertain to request additional funding for this specific bill, the SPD will continue to request sufficient appropriations to provide competent and effective representation in all its cases.

Oversight assumes the SPD can absorb the additional caseload that may result from this proposal.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal requires any person operating a motorized bicycle to have a valid driver's license.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
