### FISCAL ANALYSIS

#### ASSUMPTION

Officials from the **Office of the Governor** and the **Missouri Senate** assume the proposal would have no fiscal impact on their agencies.

Officials from the **Department of Public Safety – Missouri State Highway Patrol (MHP)** assume they would conduct criminal history background checks on no more than 50 gubernatorial appointees during an election year and less during off years. State processing fingerprint fees are \$14 (waived at the current time for state employees). FBI processing fingerprint fees are \$24 (pass-through fees to the FBI). 50 appointees x \$24 = \$1,200 (pass-through fees to the FBI – not retained in the Criminal Records System Fund). Because this amount is so small, the MHP assumes no fiscal impact.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

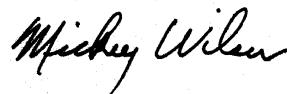

DESCRIPTION

The proposed legislation authorizes the State Highway Patrol to conduct background checks on gubernatorial appointees who are subject to Senate confirmation. Information received by the patrol must be kept confidential and cannot be disclosed to anyone except the Governor or members of the Governor's staff as necessary to determine the appointee's qualifications.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
