FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Elementary and Secondary Education (DESE)** state this proposed legislation will have no fiscal impact on their agency or on local school districts.

Officials from the **Joint Committee on Public Employee Retirement** stated their review of the proposed legislation would indicate that such legislation would not affect retirement plan benefits as defined in Section 105.660 (5).

Officials from the **Office of the Secretary of State (SOS)** assume many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this proposal for Administrative Rules is less than \$1,500. The SOS recognizes this is a small amount and does not expect additional funding would be required to meet these costs. However, SOS also recognizes that many such bills may be passed in a given year and that collectively the costs may be in excess of what the SOS can sustain with their core budget. Any additional required funding would be handled through the budget process.

Officials from the **Department of Public Safety - Office of Director** and **Missouri State Highway Patrol** state this proposal will have no fiscal impact on their agency.

ASSUMPTION (continued)

Officials from the **Public School Retirement System of Missouri** state this proposal will have no fiscal impact on either the Public School or the Public Education Employee Retirement Systems of Missouri.

Officials from the **Parkway Public School District** state this proposal will have no fiscal impact on their district.

A fiscal impact request was sent to the school districts of **Kansas City, Lee's Summit, Nixa and others** who did not respond to a request for fiscal impact of the proposal.

A fiscal impact request was sent to the **Public School Retirement System of Kansas City and Public School Retirement System of St Louis** who did not respond to a request for fiscal impact of the proposal.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposed legislation specifies that if a teacher retires from a Missouri school and returns to the classroom within a year as a substitute or part-time teacher, the state will not require another background check. School districts are not prohibited from requiring additional background checks.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
