### FISCAL ANALYSIS

#### ASSUMPTION

Officials from the **Department of Health and Senior Services (DOH)** assume that any current duties performed by the advisory committee on poison control are minimal and could be absorbed with existing staff and resources. DOH assumes that the hotline and education activities listed in the proposal would continue to be performed by the poison control centers already established.

<u>FISCAL IMPACT - State Government</u>	FY 2007 (10 Mo.)	FY 2008	FY 2009
	<u><b>\$0</b></u>	<u><b>\$0</b></u>	<u><b>\$0</b></u>
<u>FISCAL IMPACT - Local Government</u>	FY 2007 (10 Mo.)	FY 2008	FY 2009
	<u><b>\$0</b></u>	<u><b>\$0</b></u>	<u><b>\$0</b></u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

#### DESCRIPTION

This proposal abolishes the Advisory Committee on Poison Control and transfers their powers and certain duties to the Department of Health and Senior Services. The department in conjunction with local health agencies and health care providers will determine the region to be served by the Missouri Regional Poison Information Center.

The requirement that an annual report be submitted to the presiding officers of the General Assembly and the department is removed.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
