FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the Governor, Office of Administration, Department of Corrections, Department of Public Safety – Missouri State Highway Patrol, – Director’s Office, Office of the Lieutenant Governor, Missouri House of Representatives, and the Missouri Senate** assume the proposal would have no fiscal impact on their agencies.

Officials from the **Office of the Attorney General** assume any potential costs arising from this proposal can be absorbed within existing resources.

Officials from the **Office of State Courts Administrator** assume the proposed legislation would have no fiscal impact on the courts.

Officials from the **Office of Prosecution Services** assume the proposal would not have a significant direct fiscal impact on county prosecutors.

ASSUMPTION (continued)

Officials from the **Department of Social Services – Division of Youth Services (DYS)** assume they would incur costs for the compact dues. Under the old compact, the dues were \$400. Under the new compact, the state's dues will be \$17,000. Therefore, the fiscal impact would be the increase in dues of \$16,600 annually.

Oversight assumes the increase in the annual assessment is dependent on at least thirty five states enacting the compact into law. Therefore, Oversight has reflected the increase in the annual assessment as \$0 or \$16,600 per fiscal year.

Officials from the Office of the State Public Defender did not respond to Oversight's request for fiscal impact.

DESCRIPTION

The proposed legislation revises the Interstate Compact for Juveniles. The compact is an existing agreement between the states regarding the supervision and transfer of juvenile delinquents who have escaped from supervision to another state. Adoption of the revised compact makes Missouri a member of the Interstate Commission for Juveniles and requires the state to select a compact administrator to manage the state's transfer of those juveniles subject to the compact. The compact establishes the powers and duties of the interstate commission and specifies provisions regarding bylaws, corporate structure, rule-making authority, financing mechanism, a process for dispute resolution, and enforcement. The compact becomes effective August 28, 2006, or upon legislative enactment of the compact into law by no less than 35 states, whichever occurs later.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
