### FISCAL ANALYSIS

#### ASSUMPTION

Officials from the **Department of Agriculture** assume this proposal makes vermiculture operations eligible for certain financial programs. There will be no fiscal impact to their agency.

Officials from the **State Treasurer's Office** assume there will be no fiscal impact to their agency. The proposal essentially would be built into the guaranteed livestock operation and agribusiness programs.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

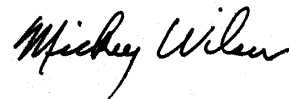

DESCRIPTION

This bill defines "vermiculture operation" as a Missouri business entity engaged in raising earthworms under a controlled environment and makes them eligible for certain agricultural loan programs including Agricultural Linked Deposit loans and single-purpose animal facility loan guarantees.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
