Officials from the **Department of Public Safety (DPS) - Director's Office** and **Office of State Treasurer** assume the proposal will have no fiscal impact on their organizations.

Officials from the **DPS - Missouri Veterans' Commission (VET)** state the fiscal impact to the VET would depend on the program(s) implemented and the fund(s) impacted. The VET is unable to determine the potential fiscal impact.

Officials from the **Office of Lieutenant Governor (MLG)** assume the proposal will only be administered if money is appropriated to the Veterans' Historical Education Trust Fund. Therefore, the MLG assumes the proposal will have no fiscal impact.

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

Currently, the Executive Director of the Missouri Veterans Commission approves and administers veterans' programs in which the historical significance of veteran service can be dedicated to outreach and education inside public schools, veteran cemeteries, veteran homes, and other institutions. The Veterans' Historical Education Trust Fund finances these programs and is administered by the commission. This proposal transfers the administration of these programs and the fund to the Lieutenant Governor.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
