### **FISCAL ANALYSIS**

#### **ASSUMPTION**

Officials from the **Department of Economic Development - Division of Professional Registration** state having reviewed the proposed legislation and having sought the conclusion of the appropriate board(s), they are of the opinion the proposal, in its present form, has no fiscal impact on their organization.

Officials from the **Office of Secretary of State (SOS)** state the fiscal impact for this proposal to the SOS for administrative rules is less than \$1,500. The SOS does not expect additional funding would be required to meet these costs. However, the SOS recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the Governor.

Officials from the **Department of Insurance (INS)** state the INS estimate 100 insurers would be required to submit amendments to their policies to comply with this proposal. Policy amendments must be submitted to the INS for review along with a \$50 filing fee. One-time additional revenues to the Insurance Dedicated Fund are estimated to be \$5,000 .

ASSUMPTION (continued)

Additional staff and expenses are not being requested with this single proposal, but if multiple proposals pass during the legislative session which require policy form reviews, the INS will need to request additional staff to handle the increase in workload.
