2 621.045 in a case relating to a holder of a license granted by such agency, or upon receipt of such
3 complaint from the attorney general, the administrative hearing commission shall cause a copy
4 of said complaint to be served upon such licensee in person or by certified mail, together with
5 a notice of the place of and the date upon which the hearing on said complaint will be held. **If**

7 **described in subsection 3 of section 506.160, RSMo, shall be allowed; any commissioner is**
8 **authorized to act as a court or judge would in that section, and any employee of the**
9 **commission is authorized to act as a clerk would in that section.** In any case initiated upon
10 complaint of the attorney general, the agency which issued the license shall be given notice of
11 such complaint and the date upon which the hearing will be held by delivery of a copy of such
12 complaint and notice to the office of such agency or by certified mail. Such agency may
13 intervene and may retain the services of legal counsel to represent it in such case.

14 2. In any case initiated under this section, the custodian of the records of an agency may
15 prepare a sworn affidavit stating truthfully pertinent information regarding the license status of
16 the licensee charged in the complaint, including only: the name of the licensee; his license
17 number; its designated date of expiration; the date of his original Missouri licensure; the
18 particular profession, practice or privilege licensed; and the status of his license as current and
19 active or otherwise. This affidavit shall be received as substantial and competent evidence of
20 the facts stated therein notwithstanding any objection as to the form, manner of presentment or
21 admissibility of this evidence, and shall create a rebuttable presumption of the veracity of the
22 statements therein; provided, however, that the procedures specified in section 536.070, RSMo,

23 shall apply to the introduction of this affidavit in any case where the status of this license
24 constitutes a material issue of fact in the proof of the cause charged in the complaint.

621.110. Upon a finding in any cause charged by the complaint for which the license
2 may be suspended or revoked as provided in the statutes and regulations relating to the
3 profession or vocation of the licensee, the commission shall deliver or transmit by [certified]
4 mail to the agency which issued the license the record and a transcript of the proceedings before
5 the commission together with the commission's findings of fact and conclusions of law. The
6 commission may make recommendations as to appropriate disciplinary action but any such
7 recommendations shall not be binding upon the agency. A copy of the findings of fact,
8 conclusions of law and the commission's recommendations, if any, shall be [served upon]
9 **delivered or transmitted by mail to the licensee [in person or by certified mail] if the licensee's**
10 **whereabouts are known, and to any attorney who represented the licensee.** Within thirty
11 days after receipt of the record of the proceedings before the commission and the findings of fact,
12 conclusions of law, and recommendations, if any, of the commission, the agency shall set the
13 matter for hearing upon the issue of appropriate disciplinary action and shall notify the licensee
14 of the time and place of the hearing, provided that such hearing may be waived by consent of the
15 agency and licensee where the commission has made recommendations as to appropriate
16 disciplinary action. In case of such waiver by the agency and licensee, the recommendations of
17 the commission shall become the order of the agency. The licensee may appear at said hearing
18 and be represented by counsel. The agency may receive evidence relevant to said issue from the
19 licensee or any other source. After such hearing the agency may order any disciplinary measure
20 it deems appropriate and which is authorized by law. In any case where the commission fails to
21 find any cause charged by the complaint for which the license may be suspended or revoked, the
22 commission shall dismiss the complaint, and so notify all parties.
