18 or more other covered or noncovered positions, credited service shall be determined as if all such
19 employment were in one position, and covered pay shall be the total of pay for all such positions.

40 membership been the same as the annual pay rate as of the date the member was initially
41 employed as a member, with the calculations based on the contribution rate in effect on the date
42 of such member's employment with simple interest calculated from the date of employment to
43 the date of election pursuant to this subsection. The payment shall be made over a period of not
44 longer than two years, measured from the date of election, and with simple interest on the unpaid

54 been credited under the closed plan.

56 have the member's service in the other system transferred to the last system that covered such
57 member and any annuity payable to such member shall be paid by that system. Any such
58 member may elect to transfer service between systems prior to termination of employment,
59 provided, any annuity payable to such member shall be paid by the last system that covered such
60 member prior to the receipt of such annuity.
