

JOURNAL OF THE HOUSE

Second Regular Session, 93rd GENERAL ASSEMBLY

SIXTY-FOURTH DAY, MONDAY, MAY 1, 2006

The House met pursuant to adjournment.

Speaker Jetton in the Chair.

Prayer by Reverend James Earl Jackson.

O LORD our God, in You we take refuge and put our trust; our hearts rest with You and we are helped.

Lord God, we pay attention to Your counsel and by Wisdom You make Your Words known to us. You have said in Your Word, "whoever listens to Me will have security. He will be safe, with no reason to be afraid."

We refuse to worry about tomorrow's schedule or fret over last week's deliberations; for tomorrow will care for itself and each day has enough trouble of its own. With Your help, we focus on today's schedule while holding fast to good judgment, excellence, and integrity.

We are thankful, as always, for family, friends and safe passage to and from home.

Now may the grace of our Lord rest and abide with us all.

For it's in the name of Your Son we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-third day was approved as corrected.

(1) "Biodiesel", fuel as defined in ASTM Standard D-6751 or its subsequent standard specifications for biodiesel fuel (B100) blend stock for distillate fuels;

(2) "Missouri qualified biodiesel producer", a facility that produces biodiesel, is registered with the United States Environmental Protection Agency according to the requirements of 40 CFR 79, and :

(a) At least fifty-one percent is owned by agricultural producers **who are residents of this state and who are** actively engaged in agricultural production for commercial purposes; **or**

(b) **At least eighty percent of the feedstock used by the facility originates in the state of Missouri. For purposes of this section, "feedstock" means a Missouri agriculture product as defined in section 348.400, RSMo.**

2. The "Missouri Qualified Biodiesel Producer Incentive Fund" is hereby created and subject to appropriations shall be used to provide economic subsidies to Missouri qualified biodiesel producers pursuant to this section. The director of the department of agriculture shall administer the fund pursuant to this section.

3. A Missouri qualified biodiesel producer shall be eligible for a monthly grant from the fund provided that [fifty-one percent of the feedstock originates in the state of Missouri and that] one hundred percent of the feedstock originates in the United States. **However, the director may waive the feedstock requirements on a month-to-month basis if the facility provides verification that adequate feedstock is not available.** A Missouri qualified biodiesel producer shall only be eligible for the grant for a total of sixty months unless such producers during the sixty months fail, due to a lack of appropriations, to receive the full amount from the fund for which the producers were eligible, in which case such producers shall continue to be eligible for up to twenty-four additional months or until they have received the maximum amount of funding for which such producers were eligible during the original sixty-month time period. The amount of the grant is determined by calculating the estimated gallons of qualified biodiesel produced during the preceding month from Missouri agricultural products, as certified by the department of agriculture, and applying such figure to the per-gallon incentive credit established in this subsection. Each Missouri qualified biodiesel producer shall be eligible for a total grant in any fiscal year equal to thirty cents per gallon for the first fifteen million gallons of qualified biodiesel produced from Missouri agricultural products in the fiscal year plus ten cents per gallon for the next fifteen million gallons of qualified biodiesel produced from Missouri agricultural products in the fiscal year. All such qualified biodiesel produced by a Missouri qualified biodiesel producer in excess of thirty million gallons shall not be applied to the computation of a grant pursuant to this subsection. The department of agriculture shall pay all grants for a particular month by the fifteenth day after receipt and approval of the application described in subsection 4 of this section.

4. In order for a Missouri qualified biodiesel producer to obtain a grant from the fund, an application for such funds shall be received no later than fifteen days following the last day of the month for which the grant is sought. The application shall include:

(1) The location of the Missouri qualified biodiesel producer;

(2) The average number of citizens of Missouri employed by the Missouri qualified biodiesel producer in the preceding month, if applicable;

(3) The number of bushel equivalents of Missouri agricultural commodities used by the Missouri qualified biodiesel producer in the production of biodiesel in the preceding month;

(4) The number of gallons of qualified biodiesel the producer manufactures during the month for which the grant is applied;

(5) A copy of the qualified biodiesel producer license required pursuant to subsection 5 of this section, name and address of surety company, and amount of bond to be posted pursuant to subsection 5 of this section; and

(6) Any other information deemed necessary by the department of agriculture to adequately ensure that such grants shall be made only to Missouri qualified biodiesel producers.

5. The director of the department of agriculture, in consultation with the department of revenue, shall promulgate rules and regulations necessary for the administration of the provisions of this section.

6. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions

of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.

7. The provisions of this section shall expire on December 31, 2009. However, Missouri qualified biodiesel producers receiving any grants awarded prior to the expiration date of this section shall continue to be eligible for the remainder of the original sixty-month time period under the same terms and conditions of this section unless such producer during those sixty months failed, due to a lack of appropriations, to receive the full amount from the fund for which he or she was eligible.
